2. In response to comments from the SRP, we have reflected in the Key Judgments the substance of Appendix II, Cuban Drug Policy, and Appendix III, Intelligence Gaps. We have also recast our judgment regarding Havana's sensitivity to US accounts of its involvement in the drug trade and have deleted an unnecessary reference to El Salvador in the discussion of traffickers' arms deliveries to Nicaragua.

3. With your concurrence, we will forward the draft IIM to NFIB principals. The coordination meeting with NFIB representatives is scheduled for 16 November 1984.
